South Carolina currently ranks 2<sup>nd</sup> in the nation for the number of women killed by men (2014) and is consistently in the top ten in the nation!

The FJC provides safe refuge to victims of domestic violence in Georgetown and Horry Counties. Our emergency shelter addresses crucial safe housing needs in the midst of crisis. We provide a safe environment, twenty-four hours a day, seven days a week. All of the clients' basic needs are met, free of charge.

A donation of any item or combination of items would aid in our ability to meet our clients' daily needs and would be greatly appreciated by the Family Justice Center.

We ask that all clothing items be new and any type of gift card is always useful.
